YEMP 2018 – what else you can do

- Check out the STAMP database

<http://www.stamp-music-training.org/>

The screenshot shows the STAMP database website. At the top, there is a search bar with the text "Search and find trainings in the whole STAMP database. Enjoy it!" and a button labeled "UPLOAD A COURSE". Below the search bar is a large banner with the text "Never. Stop. Learning." and "Search the entire STAMP database to find your dream training." The main content area is divided into three sections: "FILTER BY PARAMETERS" with dropdown menus for Country, Level, InSTITUTE, Language, and Date; "SEARCH BY KEYWORD" with a text input field; and "UPCOMING WORKSHOPS" featuring a card for a "ONE WEEK COURSE FOR TEACHERS OF MUSIC" with details about the course location, language, and dates.

WEBINAR AS AN IMPORTANT INTERACTIVE TOOL

The Internet, from the late 1980's when it acquired its modern form, has introduced considerable improvements in all sectors of human interaction, education, technology, communication and online entertainment, provided it is used wisely and with moderation. It acts as an affordable source that enhances the accessibility to research and knowledge, bridging the communication gap thus enabling the distribution of information in a much easier, efficient and effective way.

Along with the reserves of knowledge, internet has some extra resource material such as interactive lessons and educational games which prove to be incredibly useful for educational purposes assisting teachers as
